

**Michigan Technological University
Carnahan Enterprise Scholarship
Fall 2010**

ELIGIBILITY: This scholarship is available to any eligible sophomore, junior or senior level student who is participating on an Enterprise team as part of their undergraduate degree program at Michigan Technological University, and is enrolled in an Enterprise Project Course for the semester in which the application is submitted. Applicants must be pursuing an undergraduate degree in either Business and Economics (SBE) or Scientific and Technical Communications (STC). The recipient must have a cumulative G.P.A. of at least 2.50.

The scholarship is renewable for up to two years for students pursuing an Enterprise Concentration and up to three years for students pursuing an Enterprise Minor, contingent upon maintaining a cumulative 2.50 GPA and continued availability of scholarship funds. There is no restriction as to major chosen within the School of Business and Economics.

VALUE: The program will award up to two \$500 merit-based scholarships for an undergraduate degree in Business and Economics and up to two \$500 merit-based scholarships for an undergraduate degree in Scientific and Technical Communications (STC) for the Fall 2010 semester. The scholarship is renewable for each year of enterprise study (up to two years total for the enterprise concentration and three years total for the enterprise minor) contingent upon maintaining a cumulative GPA of 2.50, *and* availability of scholarship funds.
